"THE ONE WHERE THEY ARE THANKFUL"

HAPPY

It wouldn't be November if I didn't start by saying that I AM THANKFUL for you!

Hello again, Friends! As a USMC spouse, I know I'm obligated to say that November is my favorite month of the year (Happy Birthday, Marines!), but it actually IS my favorite month. While I love the changing colors, it's the changing attitudes that win me every year. The reflection on what we're grateful for and the joy at gathering together. Hospitality is my biggest love, and November brings ample opportunity to spread that love. Some of you are like me and started looking forward to the holidays in August, but for some of our community this season can be fraught with tension. I encourage each one of you to be a FRIEND this season: look for the ways to celebrate those around you, reach out to a neighbor, and be mindful of those for whom this is a time of quiet remembrance.

I count you all among my blessings,
Adi

QSSC FRIENDS THEME SONG
(The One Where Adi Nails the New Lyrics)

So no one told you it was gonna be this way,
Your PCS is a joke; Your stuff's all broke; You don't have POA!
When you're wading through the piles of their SIF gear,
Are you going to unpack today, this week, this month or even
this year?

QSSC will be here for you
(Cause we know what it's like to be new)
QSSC will be here for you
(Cause everybody needs a great crew)
QSSC will be here for you
(Cause WE want friends too)
