**"THE ONE WHERE THE SEASON ENDS"**

Hello FRIENDS!

We have reached our season finale! How wonderful it has been to be together. I am truly thankful for all of you, for the friendships made, and for the adventures we have had. It was a privilege to serve as your President this year. I'm ending my term feeling blessed by everyone I got to meet. Thank you for opening your hearts to me and to each other. You are fabulous FRIENDS, and I will carry this year in my heart.

I am thrilled to be passing the baton to an incredibly capable spouse who I know will serve each and every one of you well. It's going to be another great year.

With warmest affection,

-Adi
